In exercise of the powers conferred by sub-section (1) of section 69 of the Registration Act, 1908 (Act No. 16 of 1908), the Inspector General of Registration hereby makes the following rules further to amend the Registration Rules (Kerala), 1958, issued under notification and published in the Kerala Gazette Extraordinary No. 143 dated 27th December, 1958, with the approval of the Government of Kerala, as required by sub-section (2) of the said section, namely:—

### Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

As per rule 141 of the Registration Rules (Kerala), 1958, the indexes of documents registered in the Sub Registry Offices, indexes Nos. I, II, III and IV shall be prepared on loose sheets lettered alphabetically and shall contain the particulars shown in Appendix-VI — a fresh set of sheets being used for each calendar year. They shall be prepared in Malayalam. The above said provisions permit to index the data of the documents for registration in Malayalam only. This makes difficulty while preparing digital endorsement of documents prepared in English language. The existing provision of rule 233 provided that the Registering Officer shall print the endorsements and registration certificate on the reverse of the document through the computer system. The said provisions allow printing the endorsements and registration certificate on the reverse of the document and also on a rider if the reverse of the document are insufficient to accommodate it. This makes practical difficulties in implementing digital endorsement. Hence the Inspector General of Registration has decided to amend the rule 141 and clause (c) and (f) of rule 233 of the above said rules. The above said amendments do not make any changes to the provisions indicated in Note below the rule 141.

The notification is intended to achieve the above object.
